Statement of intent

This plan outlines the proposals of the governing body of Forest Park Primary School to maintain/increase access to education for pupils with disabilities in the three areas required by the planning duties in the Equality Act 2010. These include:

- Increasing the extent to which pupils with disabilities can participate in the school curriculum.
- Improving the environment of the school to increase the extent to which pupils with disabilities can take advantage of education and associated services.
- Improving information delivery to pupils with disabilities which is readily available to other pupils.

The above procedures have been delivered within a reasonable time and the plan is regularly monitored by the SENDCo and Head of Support Services to ensure we continue to meet the needs of the current/future cohort of pupils within school. Amendments/additions are made as part of the consultation process with the parents/carers and pupil. The overarching aim is to ensure that we can fully meet the needs of all our pupils.

In the preparation of an accessibility strategy, the LA must have regard to the need to allocate adequate resources in the implementation of the strategy.

The governing body also recognises its responsibilities towards employees with disabilities and will:

- Monitor recruitment procedures to ensure that persons with disabilities are provided with equal opportunities.
- Provide appropriate support and provision for employees with disabilities to ensure that they can carry out their work effectively without barriers.
- Undertake reasonable adjustments to enable staff to access the workplace.

The plan will be resourced, implemented, reviewed and revised in consultation with the:

- Parents of pupils
- Headteacher and other relevant members of staff
- Governors
- External partners
