## Topic Review

Last term we looked at healthy lifestyles. Rewind your brain and see if you can solve these! Use your knowledge organiser to help.

- How much fruit and vegetables should a person have each day? Why?
- Name the food groups and give 5 examples of each.
- Choose a vitamin and list the reasons it is beneficial and what could happen if you do not have that vitamin in your diet.
- List 5 things you can do to lead a healthy lifestyle.
- Design a plate or menu for 1 day (3 meals plus snacks) that would include all the food groups a person needs to have.
