22.06.2021

Dear Parents

As you will be aware, the COVID-19 restrictions remain in place across the country. In light of this, we have reviewed our risk assessment and have made some changes to the end of year events that we would usually share with parents.

The key changes that you need to know are:

- Sports Day.

Sports day will go ahead for all children. However, **parents are not able to come and watch.** On their Sports Day (see below), your child needs to come to school in their P.E kits. They will also need to bring their water bottle, and have sun cream applied before coming to school. We will ensure that plenty of photographs are taken of the children and these will be shared with you via the school website. Each child will also bring home a little something to remember the day.

Year Group	Date of Sports Day
Nursery and Reception	Friday 2 <sup>nd</sup> July 2021
Year 1	Friday 2 <sup>nd</sup> July 2021
Year 2	Tuesday 29 <sup>th</sup> June 2021
Year 3	Wednesday 23 <sup>rd</sup> June 2021
Year 4	Wednesday 23 <sup>rd</sup> June 2021
Year 5	Tuesday 29 <sup>th</sup> June 2021
Year 6	Tuesday 29 <sup>th</sup> June 2021

- Year 6 Leavers

Year 6 will still have a celebration of their time at Forest Park, however, unfortunately **parents are not able to come and watch.** Their celebrations will be recorded and shared with you. More information regarding this will follow from the Year 6 team.

**The Year 6 camping event is taking place as planned.**

- Transition Visits

Visits for new children coming in to Nursery and Reception have been planned and all parents know when to come to school. All other children will have opportunities to visit their new classroom during the next few weeks. Year 6 transition to high school will be held virtually, details are still to be confirmed – we will let you know as soon we know.

- Parents Evening

Children will bring home their end of year report on Friday 2<sup>nd</sup> July. There will be a reply slip for you to complete and send back into school. If you would like to speak to your child's teacher about their report, please say so on the reply slip and a telephone appointment will then be arranged with you.

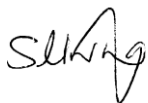

From Wednesday 7<sup>th</sup> July there will be videos on each year group page on the school website. These will show the teacher and their classroom for that year group, as well as information you need for September, such as which door to collect your child from and where they hang their coat. Please take time to share the videos with your child so that they too feel confident about their new class.

We understand the frustrations caused by changes made but, as the national and local situation is constantly changing, we feel that these are necessary to ensure the safety of our school community.

Please do keep a very close eye on your emails and texts as we will use this as the quickest way to let you know of any changes.

Thank you for you continued support during these difficult times.

Yours sincerely

Miss S L Irving  
Headteacher
