

FOREST PARK PRIMARY SCHOOL

Pupil Premium Policy for Academic Year 2018-2019

Pupil Premium funding is for pupils that are known to have been eligible for free school meals (FSM) at any time in the last six years (Reception to Year 6), children in care, post looked after children in care and children of parents in the armed forces. The first two groups of children have £1320 per pupil of funding (Reception to Year 6), Nursery pupil premium funding is £302.10 per pupil, post looked after children in care have £2300. The allocation for children with parents in the armed forces is £300. Schools have the freedom to spend the premium, which is additional to the underlying budget, in a way that they think will best support the raising of attainment for the most vulnerable pupils. The targeted and strategic use of pupil premium will support us in achieving our vision.

The predicted pupil premium for the academic year 2018-2019 is allocated to schools with eligible pupils on roll in January 2018 and January 2019.

Pupils on roll January 2018 (Reception to Year 6)	Eligible pupils	Percentage of eligible pupils	Amount per pupil	DfE total received
415	162	39.04%	£1320	£214,830
Nursery	Eligible pupils	Percentage of eligible pupils	Amount per pupil	School total received
52	17	32.69%	£302.10	£5136.23

Total pupil premium income £219966.23

Pupil Premium Principles

- We ensure that teaching and learning opportunities meet the needs of all pupils.
- We ensure that appropriate provision is made for those pupils who belong to vulnerable groups, ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- Working logically through basic skills with year group expectations will start to close the gap so some pupil premium money will be spent staffing this.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate pupil premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged. The pupil premium will help all pupils access the curriculum and discover talents.
- A key aspect of our ethos is that we need to develop memorable learning experiences to develop language acquisition and widen understanding. This includes curriculum trips, visits and visitors.
- Access to before and after school clubs to widen participation and enjoyment in school is important to us. Pupil Premium will be used to provide some of these clubs.
- We believe that providing high quality support to parents of children who are finding it difficult to progress at school can impact greatly on their success at school.
- Supporting pupils' well-being and behaviour is central to the ethos of Forest Park Primary. Employing high quality staff and a consistent whole school approach is vital to this - without this approach some of our most vulnerable children will become disengaged from school life.
- We evaluate and review the impact of interventions each year and plan the next year's activities/interventions accordingly.
- The governors will ensure that an annual statement to parents is published showing how this funding has been used to meet the above principles. The reports are published on our website.
