## Home Learning Challenges!

- Can your child speak in full sentences at home? Try modeling back to them how to put their words into a full sentence.

- What celebrations do you share as a family? Are there any special things you could do together? Perhaps you could look through pictures together and talk about why this celebration is special to you.

- Can you go on a family walk? Look at what is around you, what can you see? What can you hear? Can you see any signs of Autumn?
