

## Super Six!

Over the next term we will be reading these six focus texts!

## Reception

### Our Wonderful World

#### Things to look out for

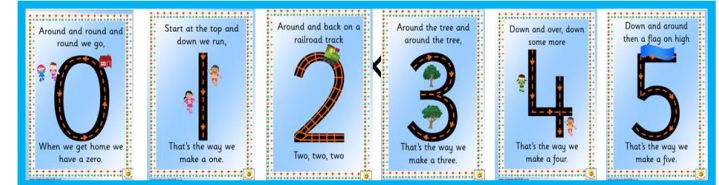

Summer term trip

Watch me Learn opportunities

Spring Sing - 7th May

## Home Learning Challenges!

Can you recognise and form numbers 0-10 correctly?

#### Notices:

Remember that you need to listen to your child read a minimum of three times per week.

Please return reading books on Wednesdays so that we can change your child's books.

#### Help me at home by...

Reading with me everyday

Help me to practise writing my name.

Remember Capital Letters are only for the first letter.

Help me put my coat on and zip it up myself

In writing we would like the children to begin to start thinking of their own sentence that they could write. Using a simple picture can help with this. E.g...

A red dog.

A fat cat.

A long box.
