

**Weekly Checklist**

Try

to tick off as many of these activities as you can each week as part of your home learning.

**Reading**

Aim for 20-30 minutes per day – use Oxford Owl ebooks to give you a variety of books to choose from.

Mon  Tues  Wed  Thurs  Fri

**Maths**

Daily [TT Rockstars](#) practice

Mon  Tues  Wed  Thurs  Fri

Daily [Study Zone](#) practice

Mon  Tues  Wed  Thurs  Fri

Completion of [Purple Mash](#) Task

Mon  Tues  Wed  Thurs  Fri

**Arithmetic Practice**

Use the written methods we have learned in school to solve these calculation problems:

- a)  $73 - 5 =$
- b)  $186 - 36 =$
- c)  $2560 - 10 =$
- d)  $2560 - 100 =$
- e)  $2560 - 1000 =$
- f)  $? = 245 - 15$
- g)  $8364 - 2573 =$
- h)  $7503 - 1262 =$

**Spelling Practice**

Can you use these homophones correctly in an interesting sentence?

- 1) there, their, they're
- 2) wear, where
- 3) know, no
- 4) hour, our
- 5) write, right

For example:

Last year, I went there on holiday for a week.

**Topic Review**

In the Spring term we were learning all about the teeth. Rewind your brain and see if you can solve these!

- 1) Name the three types of teeth in a human mouth.
- 2) Describe how the three types of teeth differ.
- 3) Draw a diagram of the mouth to show how these teeth are positioned in the mouth.
- 4) Draw a three column chart (carnivore on the top of one column, omnivore on the second and herbivore on the third). List at least 5 animals in each column. Think about their teeth and how they use them to eat their food.

Look at your knowledge organiser in your home learning pack to help.

[Don't forget the email address is all in lowercase letters.](#)
