Topic Review

Family and myself

Can you draw your self portrait? Look carefully in a mirror and draw all your features. Your drawing should fill half a size of A4. Can you then add colour to your portrait?

Can you now draw a member of your family?

Can you draw the outline of a house and draw the people (with a label) who live in your house.

Can you use natural art to create a self portrait?

Please email your work by 3pm Friday
year1@forestpark.org.uk

It would be great to give out lots of merits and pennies!
