Arithmetic Practice

Follow the steps below to find the answers to the addition and subtraction questions.

Remember addition you must draw the two numbers to find the total and subtraction you must draw the biggest number and subtract (cross out) the smallest number. Remember to regroup 10 ones (to form a new ten) or exchange one ten to make 10 ones.

- $100 - 55 =$
- $100 - 64 =$
- $16 + 29 =$
- $38 + 38 =$
- $72 + 15 =$
- $47 - 21 =$
- $95 - 42 =$
- $51 + 26 =$

Spelling Practice

Practise writing each spelling 5 times in your best handwriting on paper. Then write one sentence containing the first spelling and repeat for the next spellings. You will have 5 sentences in total. Check that in your sentences you have used capital letters, finger spaces, your best handwriting, the spelling required and punctuation.

History topic Review

At the start of the year we were learning all about Forest Park and our local area. Rewind your brain and see if you can solve these questions! Refer back to your knowledge organiser for support or use the internet to help.

1. Write a sentence to define the word '**landmark**'.

Now draw 3 well known landmarks and label them underneath.

2. **Josiah Wedgwood.**

Write 5 facts (using full sentences) to explain what you have learnt about him eg, When was he born? What was he famous for? Do you know an interesting fact about him? Etc.

3. **Explain why** was the National Garden Festival important for the city of Stoke-on-Trent?

4. **Explain when** the NGF was opened and **who opened it.**

5. **Draw three attractions** that would have been present at the NGF and label them underneath.
