

Weekly Checklist

Try to tick off as many of these activities as you can each week as part of your home learning.

Reading - Aim for 20-30 minutes per day

Mon Tues Wed Thurs Fri

Maths- Daily TT Rockstars practice

Mon Tues Wed Thurs Fri

Spelling Practice

Mon Tues Wed Thurs Fri

Can you write each **spelling 5 times** in your best handwriting?

Then write one sentence containing the first spelling and repeat for the next spellings. You will have **five sentences in total**. Repeat this each day, writing new sentences.

everybody
eye
fast
father
find

Arithmetic Practice

Follow the steps below to find the answers to the 'missing number' addition and subtraction sentences.

Remember the rhyme to help you.

Missing number at the beginning? Do the inverse and your winning (Remember 'Inverse' means the opposite).

Missing number in the middle? Do a subtraction to solve that riddle.

Missing number at the end? That's the way I like it friend.

a) $\underline{\quad} + 46 = 55$

b) $\underline{\quad} - 44 = 12$

c) $55 - \underline{\quad} = 22$

d) $\underline{\quad} - 44 = 16$

e) $26 + \underline{\quad} = 39$

f) $\underline{\quad} - 14 = 6$

g) $44 + \underline{\quad} = 79$

h) $58 + 22 = \underline{\quad}$

Click the link below to find a sequence of **Mathematic lessons** labelled 'Week 6 w/c 1st June'. Please complete lessons 1-4: **The ten xtables, sharing, grouping and odd and even numbers.**

Topic Review

In November, we were learning about animals including humans. Rewind your brains to answer these questions/complete the challenges:

1. What does hygienic mean?
2. Give 3 different examples of ways we can keep ourselves hygienic.
3. If you did not keep yourself hygienic, what might happen?
4. What might happen to your body if you did not keep yourself active?
5. What happens to your body while you are taking part in exercises? See if you can list 5 things.
