Then, put each of them into a sentence to show you understand their meaning.

Topic Review

Last term we were learning all about the Rainforest and South America. Rewind your brain and see if you can solve these!

- 1) Name the Rainforest that can be located in South America?
- 2) How many countries are there in South America?
- 3) What is the largest country in South America?
- 4) Name the different layers of the Rainforest.
- 5) Which animals can be found in the Rainforest?

Challenge- Which layer of the rainforest would you find these animals?

Use your Knowledge Organiser to help you.
