Topic Review

In the autumn term we learnt about Greece and Ancient Greece.

Using your knowledge, research and artistic skills produce a postcard about a visit to Greece. You can choose to have 'visited' Ancient Greece or modern day Greece and the postcard design must reflect this. Consider your success criteria for writing a postcard-you will need to address it to somebody, it must be written in past tense and you can include feelings, descriptions, interesting vocabulary and you may include what you're planning on doing next.

To support this work:

Postcard activity can be completed on Purple Mash-this is optional.

Geography-See Purple Mash
