

### Weekly Checklist

Try to tick off as many of these activities as you can each week as part of your home learning.

### Reading

Aim for 10 minutes per day. Read your favourite story or access 'Oxford Owl' website for free eBooks.

Mon  Tues  Wed  Thurs  Fri

### Maths

Daily counting forwards and backwards to 20

Mon  Tues  Wed  Thurs  Fri

Daily number recognition practice: - Can you place the numbers in order when they are mixed up?

10      1      2      4      3      5  
6      9      7      8

Mon  Tues  Wed  Thurs  Fri

### Shape Hunt

Can you find these shapes in your home?

### RWI

Choose a sound and write as many real words as you can with the sound in: **e.g. s - sat**

m                      s                      b  
p                      th  
ee                      igh                      z

Can you use each word in a sentence?

"The dog sat."

Can you write the sentence?

### Topic Review

Last term we learnt about the story Superworm. Can you tell someone in your family what happened in our story?

Now can you make a trap to catch Wizard Lizard and save Superworm?

You can watch 'Superworm' here:
