- Use of PPE by staff at all times
- Hand sanitisation stations for use by customers and staff
- Limited members of customers will be allowed into the shop at any time to allow for social distancing
- Only one parent/carer per child will be allowed
- Cleaning stations
- Changing rooms not in use
- Contactless/cashless payments preferred
- Queues
- No public toilet facilities
- One way system in the shop

These Government recommendations may be subject to change, we will endeavour to update all customers of any changes.

During this difficult time we respectfully ask that all customers treat each other and our staff with respect, kindness and patience and also remind customers that they are responsible for supervising their child at all times to allow for social distancing. Should anyone disregard any of the above, they will quietly be asked to leave the premises.
